MANAGEMENT INFORMATION CIRCULAR

Dated December 3, 2015

SOLICITATION OF PROXIES

THIS MANAGEMENT INFORMATION CIRCULAR (the “**Circular**”) is furnished in connection with the solicitation by the management of CHC Student Housing Corp. (the “**Corporation**”) of proxies to be used at the annual meeting of shareholders (the “**Meeting**”) of the Corporation to be held at the time and place and for the purposes set forth in the enclosed notice of annual meeting of shareholders (the “**Notice of Meeting**”). While it is expected that the solicitation will be primarily by mail, proxies may also be solicited personally by regular employees of the Corporation at nominal cost. The cost of solicitation by management will be borne directly by the Corporation. The information contained herein is given as of December 3, 2015, unless indicated otherwise.

The Corporation may pay the reasonable costs incurred by persons and companies who are the registered owners of common shares of the Corporation (the “**Common Shares**”) (such as brokers, dealers, other registrants under applicable securities laws, nominees and/or custodians) in sending or delivering copies of the Notice of Meeting, this Circular and the form of proxy (the “**Meeting Materials**”) to the beneficial owners of such Common Shares. The Corporation will provide, without cost to such persons and companies, upon request to the Secretary of the Corporation, additional copies of the Meeting Materials required for this purpose.

A quorum for the transaction of business at the Meeting shall be present if there are two or more persons present in person, each being a shareholder entitled to vote or a duly appointed proxyholder, and together holding or representing by proxy not less than 10% of the outstanding Common Shares entitled to vote at the Meeting.

The Corporation has not elected to use the “notice-and-access” provisions under National Instrument 54-101 and National Instrument 51-102 for distribution of this Circular and other Meeting Materials to shareholders of the Corporation.

NON-REGISTERED HOLDERS

Only registered holders of Common Shares (the “**Shareholders**”) as at December 3, 2015 or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares beneficially owned by a person (a “**Beneficial Holder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) with whom the Beneficial Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101, the Corporation will have distributed copies of the Meeting Materials to Intermediaries and clearing agencies for onward distribution to Beneficial Holders.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders. Beneficial Holders will be given, in substitution for the form of proxy otherwise contained in the Meeting Materials, a request for voting instructions form (“**VIF**”) which, when properly completed and signed by the Beneficial Holder and returned to the Intermediary, will constitute voting instructions which the Intermediary must follow.

The purpose of this procedure is to permit Beneficial Holders to direct the voting of the Common Shares which they beneficially own. **Beneficial Holders receiving a VIF cannot use that form to vote Common Shares directly at the Meeting.** Although a Beneficial Holder may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their Intermediary, a Beneficial Holder may attend the Meeting as proxyholder for the Intermediary and vote the Common Shares in that capacity. Should a Beneficial Holder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Holder may

request a legal proxy as set forth in the VIF, which will grant the Beneficial Holder or their nominee the right to attend and vote at the Meeting. **Beneficial Holders who wish to attend the Meeting and indirectly vote their Common Shares as a proxyholder, should enter their own names in the blank space on the form of proxy or VIF provided to them by their Intermediary and return the same in accordance with the instructions provided by their Intermediary well in advance of the Meeting.**

Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where a proxy or VIF is to be delivered. Beneficial Holders should ensure that instructions respecting the voting of their Common Shares are communicated in a timely manner and in accordance with the instructions provided by their Intermediary. Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Holders in order to ensure that their Common Shares are voted at the Meeting.

Under NI 54-101, the Corporation is permitted to forward meeting materials directly to Beneficial Holders who are “non-objecting beneficial owners” (“**NOBOs**”). If the Corporation or its agent has sent these materials directly to you (instead of through a nominee), your name, address and information about your holding of securities has been obtained in accordance with applicable securities regulatory requirements from the nominee holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the nominee holding on your behalf) has assumed responsibility for delivering materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The meeting materials for Beneficial Holders who are “objecting beneficial owners” (“**OBOs**”) will be distributed through clearing houses and Intermediaries, who often use a service company such as Broadridge Financial Solutions to forward meeting materials to non-registered shareholders. The Company does not intend to pay for Intermediaries to forward the proxy-related materials and the request for voting instructions made by Intermediaries to OBOs under NI 54-101. Accordingly, OBOs will not receive the materials unless the OBOs’ Intermediary assumes the cost of delivery.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the form of proxy are directors and/or officers of the Corporation. **A shareholder desiring to appoint some other person (who need not be a shareholder) to represent him, her or it at the Meeting may do so** either by inserting such person’s name in the blank space provided in the form of proxy and crossing out the names of the nominees of management, or by completing another proper form of proxy and, in either case, depositing the completed proxy at the office of the Corporation’s registrar and transfer agent, TMX Equity Transfer Services (“**TMX Equity**”), Proxy Department, at 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, Facsimile No. (416) 595-9593, no later than 4:00 p.m. (EDT) on January 5, 2015 or at least 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Ontario) before any adjournment or postponement of the Meeting, or delivering the completed proxy to the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof prior to the time of voting.

A shareholder may also submit a proxy by using the Internet through the website of TMX Equity at www.voteproxyonline.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the proxy form for the Meeting for the Holder ID and Holder Code and the proxy access number.

A Shareholder who has given a proxy has the power to revoke it as to any matter on which a vote has not already been cast pursuant to the authority conferred by such proxy and may do so either:

1. by delivering another properly executed form of proxy bearing a later date and depositing it as described above;
2. by depositing an instrument in writing revoking the proxy executed by him, her or it: (a) with TMX Equity at the address and/or facsimile above, at any time up to and prior to the close of business on the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (b) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, prior to the commencement of the Meeting or any adjournment thereof, as applicable; or

3. in any other manner permitted by law.

Only a Shareholder has the right to revoke a proxy. A Beneficial Holder who wishes to change his, her or its vote must arrange for the Intermediary to revoke the proxy on his, her or its behalf in accordance with the instructions of such Intermediary set out in the voting instructions form.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

In the event of a strike, lockout or other work stoppage involving postal employees, all documents required to be delivered by a shareholder should be delivered by facsimile to TMX Equity at (416) 595-9593.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees or any appointed nominees will be voted for, withheld from voting or voted against in accordance with the instructions of the Shareholder on any ballot that may be called for and, if a Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Common Shares represented by the proxy shall be voted accordingly. **Where no choice is specified, the proxy will confer discretionary authority and will be voted FOR the election of the nominee directors, FOR the appointment of auditors and the authorization of the directors to fix the auditors' remuneration, and FOR the approval of the Corporation's stock option plan, as stated elsewhere in this Circular.**

The accompanying form of proxy for the Meeting also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No person who has been a director or executive officer of the Corporation at any time since the beginning of its last completed financial year, no proposed nominee for election as a director of the Corporation and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, other than the election of directors or the approval of the stock option plan of the Corporation as disclosed in this Circular.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of Common Shares. As at the date of this Circular, the Corporation had 2,335,181 Common Shares issued and outstanding. Each Common Share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting.

The record date for the purpose of determining the Shareholders entitled to receive the Notice of Meeting and to vote at the Meeting has been fixed as December 3, 2015 (the "**Record Date**"). In accordance with the provisions of the *Business Corporations Act* (Ontario), the Corporation will prepare a list of Shareholders as at the close of business on the Record Date. Each holder of Common Shares named in the list will be entitled to vote, on all resolutions put forth at the Meeting for which such Shareholder is entitled to vote, the shares shown opposite his, her or its name on such list. The failure of a Shareholder to receive the Notice of Meeting does not deprive him, her or it of the right to vote at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, as at the date of this Circular, no person or company beneficially owns, or exercises control or direction over, directly or indirectly, securities carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Corporation.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Pursuant to National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**"), the Corporation is required to disclose the compensation paid to its "named executive officers". This means the Corporation's Chief Executive Officer and Chief Financial Officer (or individuals who served in similar capacities) for any part of the Corporation's most recently completed financial year, and the three most highly compensated executive officers (or individuals who served in similar capacities), other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 (and each individual who would be a "named executive officer" but for the fact that the individual was neither an executive officer of the Corporation, nor acting in a similar capacity, at the end of the financial year).

For the financial year ended December 31, 2014, the "named executive officers" of the Corporation were Mark Hansen, the President and Chief Executive Officer of the Corporation and Robert Waxman, the Chief Financial Officer of the Corporation (the "**Named Executive Officers**" or "**NEOs**").

The Company was incorporated under the *Business Corporations Act* (Ontario) on April 12, 2013. On November 28, 2013, the Company completed an initial public offering as a Capital Pool Company (“CPC”) under the policies of the TSXV and the Common Shares were listed and posted for trading on the TSXV commencing on December 4, 2013. As a CPC, prior to the completion of its “Qualifying Transaction” (as defined under the policies of the TSXV), the business of the Company was restricted to the identification and evaluation of potential opportunities with a view to completing a Qualifying Transaction. The Company subsequently completed its Qualifying Transaction on April 3, 2014 through the acquisition of a student housing property located in Kingston, Ontario. In connection with the closing of the transaction, the Company received final acceptance of the acquisition as the Company’s Qualifying Transaction from the TSXV, and commenced trading on the TSXV as a Tier 2 Real Estate Issuer. With its Qualifying Transaction completed, the Corporation has been pursuing the expansion of its student housing business, focusing on strategically acquiring additional student housing properties in Canada, and has acquired three additional properties, with its total portfolio currently being comprised of approximately 822 student housing beds and approximately 13,750 sq. ft. of ancillary ground floor commercial space.

Given its stage of development and historical activities, the Corporation has to date operated without any formal executive compensation arrangements. Moreover, neither of the Named Executive Officers has received any compensation from the Corporation other than receiving certain stock options and discretionary cash bonuses (and they have principally been employed and remunerated by another company operating in the student housing space which is unrelated to the Corporation). It is contemplated that the Board of Directors will establish a formal executive compensation program for the Corporation and negotiate employment agreements between the Corporation and its executive officers at an appropriate time as the Corporation continues to grow. In the summer of 2015, the Corporation launched a proposed public equity offering which was to fund certain additional proposed acquisitions by the Corporation, and it was contemplated that the executive compensation program would be established and executive employment agreements negotiated in connection with the completion of the offering, but the offering was subsequently terminated due to macro driven volatility within equity markets and the inability to achieve offering terms acceptable to the Corporation. The Corporation continues to pursue its stated strategy and business plan, and is reviewing various strategic alternatives to the cancelled offering and for financing its current operations and future plans. In the event that a transaction occurs, executive compensation matters will be considered in the context of that transaction.

When established, the objective of the Corporation’s compensation program will be to provide suitable compensation for the Corporation’s executives that is competitive to other junior real estate issuers that are at a similar stage of development to that of the Corporation and which reflects the achievements of the Corporation’s executives. This approach will be designed to retain the Corporation’s executive officers and to attract and retain other highly qualified individuals who are able to carry out the Corporation’s business objectives. The compensation program will aim to ensure total remuneration is competitive by market standards and link rewards with the short-term and long-term strategic goals and performance of the Corporation by providing compensation arrangements that are comprised of both a fixed component and an at-risk component, with the at-risk component being composed of certain incentives. It is contemplated that the Corporation will use the granting of stock options or similar security based compensation arrangements to offer incentive and compensation for services as part of its compensation strategy.

A Compensation and Corporate Governance Committee of the Board of Directors has been established to consider these matters and to provide recommendations to the Board of Directors on executive remuneration matters generally as needed.

Option-Based Awards

Option-Based Awards

The Board of Directors has the responsibility to administer the compensation policies related to the executive management of the Corporation, including option-based awards. The Corporation’s Stock Option Plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of executive officers as well as their impact or contribution to the longer-term operating performance of the Corporation. During the period leading up to the Corporation’s initial public offering and including the awards granted at the time of the initial public offering, there was no formal process in place that the Corporation used to

grant stock options to executive officers. In connection with the Corporation's initial public offering, options were approved and granted by the Board of Directors taking into consideration the efforts and services provided to the Corporation and the total number of options reserved for issuance under the Stock Option Plan.

On January 1, 2015 and January 15, 2015, the Board of Directors granted stock options to purchase a total of 6,326,928 Common Shares (on a pre-consolidation basis prior to the Corporation's 85-for-1 consolidation of the Common Shares on February 19, 2015 (the "**Consolidation**"); 80,316 Common Shares on a post-Consolidation basis) to certain directors, officers and employees of the Corporation upon recommendation of the Compensation and Corporate Governance Committee, taking into consideration the efforts and services provided to the Corporation, the amount of options previously granted and the total number of options reserved for issuance under the Stock Option Plan. These stock options were voluntarily cancelled on March 31, 2015 in contemplation of the Corporation's public offering which was launched and terminated in the summer of 2015.

Summary of the Stock Option Plan

The Corporation's Stock Option Plan is designed to motivate and retain directors, officers, key employees, and other service providers, and to align their interests with those of the Corporation's Shareholders. Participation in the Stock Option Plan rewards overall corporate performance, as measured through the price of the Common Shares. In addition, the Stock Option Plan enables executives, including directors, to develop and maintain a significant ownership interest in the Corporation. All options that have been granted under the Stock Option Plan have been issued at an exercise price not less than the closing market price of the Common Shares on the date prior to the date of the grant.

Long-term incentives for executive officers and directors have been provided through options granted under the Stock Option Plan. As the Corporation's business is currently focused on building a portfolio of revenue generating student housing properties, options are used to provide incentives to the directors and executive officers of the Corporation and are intended to be an important part of compensation. The Corporation may amend its stock option policies as it completes additional acquisitions of student housing properties and builds its revenue base.

The Board of Directors of the Corporation may from time to time, in its discretion, and in accordance with the rules and regulations of the TSXV, grant to directors and officers of the Corporation, and *bona fide* Employees, Consultants, or Management Company Employees (all as defined in the policies of the TSXV) of the Corporation, non-transferable options to purchase Common Shares for a period of up to ten years from the date of the grant; provided, that the number of Common Shares reserved for issuance may not exceed 10% of the issued Common Shares at the time of the grant of an option.

The securities offered under the Stock Option Plan consist of options to acquire up to a maximum of 10% of the issued Common Shares at the time of the grant of an option. The aggregate number of Common Shares to be delivered upon the exercise of all options granted under the Stock Option Plan will not exceed the maximum number of Common Shares permitted under the rules of any stock exchange on which the Common Shares are then listed or the rules of any other regulatory body having jurisdiction over the Common Shares. If any option granted under the Stock Option Plan expires or terminates for any reason without having been exercised in full, the unpurchased Common Shares subject thereto will again be available for the purpose of the Stock Option Plan. Each option granted under the Stock Option Plan is non-assignable and non-transferable.

The number of Common Shares subject to an option granted to any participant will be determined by the Board of Directors or a committee authorized under the Stock Option Plan, but no participant, where the Corporation is listed on any stock exchange, will be granted an option which exceeds the maximum number of shares permitted under any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction, which maximum number of shares is presently an amount equal to 5% of the then issued and outstanding Common Shares (on a non-diluted basis) in any 12-month period, unless disinterested shareholder approval is obtained.

The maximum number of Common Shares subject to an option granted to any participant who is a Consultant is presently limited to an amount equal to 2% of the then issued and outstanding Common Shares (on a non-diluted basis) in any 12-month period. The number of options granted to all persons in aggregate who are employed to perform Investor Relations Activities (as defined in the policies of the TSXV) is presently limited to an amount

equal to 2% of the then issued and outstanding Common Shares (on a non-diluted basis) in any 12 month period. Options granted to Consultants performing Investor Relations Activities must vest in stages over a 12 month period with no more than 25% of the options vesting in any three month period.

The exercise price of the Common Shares covered by each option shall be determined by the Board of Directors. The exercise price will not be less than the price permitted by any stock exchange on which the Common Shares are then listed or other regulatory body having jurisdiction. Currently, the TSXV requires that the exercise price of the options must be equal to or greater than the Discounted Market Price (as defined in the policies of the TSXV). The exercise price of options is solely payable in cash.

The ability of the options to be exercised and the obligation of the Corporation to issue and deliver Common Shares in accordance with the Stock Option Plan is subject to any approvals which may be required from the Shareholders of the Corporation, or any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation.

So long as it remains a policy of the TSXV, the Corporation must obtain disinterested shareholder approval for: (i) any reduction in the exercise price of an option if the relevant participant in the Stock Option Plan is an insider of the Corporation at the time of the proposed amendment; or (ii) the grant of options if the Stock Option Plan, together with all of the Corporation's previously established and outstanding stock option plans or grants, could result at any time in the grant to insiders of the Corporation, within a 12 month period, of a number of options exceeding 10% of the then issued Common Shares.

If a participant ceases to be a director, officer, Employee or Consultant, as the case may be, of the Corporation for any reason (other than death), she/he may exercise her/his option to the extent that she/he was entitled to exercise it at the date of such cessation, but only for a period determined by the Board of Directors of up to one year following her/his ceasing to be a director, officer, Employee or Consultant. In the case of an optionee's death, the optionee's heirs or administrators can exercise any portion of the options for up to six months from the optionee's death. Nothing contained in the Stock Option Plan, nor in any option granted pursuant to the Stock Option Plan, will confer upon any participant any right with respect to continuance as a director, officer, employee or consultant of the Corporation or of any affiliate.

Appropriate adjustments in the number of Common Shares issuable upon exercise of outstanding options and in the exercise price of the options shall be made to give effect to adjustments in the number of Common Shares resulting from any subdivisions, consolidations or reclassifications of the Common Shares, the payment of stock dividends by the Corporation or other relevant changes in the capital structure of the Corporation.
